25th Annual Scholarship Luncheon!!!

Great News!!!!

The report just came out from the Institutions of Higher Learning-- enrollment at *The Valley* is **up by 8%!** This is very positive for our university! We must continue to help the push to increase enrollment—we see it can and is being done. Now, let us also work through our giving to make sure students stay until they graduate. Please, please let's work on our giving more to the students at our university. Giving and increased enrollment will make a major difference for the future growth and success at our university.

The Coaches Here Sunday— Jackson-Hinds Chapter extended an invitation to basketball **Coach Payne**, Head Men Coach and **new Coach Stern**, Head Women Coach to attend our next Chapter meeting. The meeting is scheduled for, **Sunday September 25, 2016** at the Jackson Medical Mall at **4:00 p.m.** The meeting will take place inside the Mall **next door to the Piccadilly** entrance. **Please come early.** Let's support our basketball coaches—**the new gym is awesome!!!**
